This filing is in response to RFAI letter dated April 6, 2016 regarding the 2015 YEAR END report filed on January 29, 2016. Due to a software upgrade, the in-kind transactions listed on this report do not link to disbursements made for these in-kind transactions. The disbursements for these in-kind transactions were disbursed in 2016 as reported on the 2016 February Monthly report. Therefore, we are filing an amended 2015 Year End report, as well as an amended 2016 February Monthly report to correct this error. All in-kind transactions are linked to their corresponding disbursements on the amended 2016 February Monthly report. Also, the omission of states from the candidate contributions (Line 23) have been corrected in the software and now populate on these amendments.
